FURTHER IMPORTANT INFORMATION

- Please choose modules **from one semester only.** Once you have your timetable, it is possible to add courses from the other semester that do not create timetable conflicts.
- We **highly recommend** exchange students to choose the courses **Austrian Language** and/or **Doing Business in Austria** to make the most of their experience abroad.
- Please note that the **optional language courses** will be held at the same time so it is only possible to select one of them. Not all the languages may be offered as courses depend on a minimum number of students.
- German-speaking students can choose any courses from the curriculum. However, they are advised to select modules from **one semester and one program** (i.e. Business Management, Hotel Management, Digital Business Management and Public Management) only.
- For questions about the courses and Table A of your learning agreement please write an email to: g.jeschke@fh-kaernten.at
